

Fendalton Bowling Club (Inc)

Vaccination Certificate Policy

23rd November 2021

The Fendalton Bowling Club Executive agreed on Tuesday 23rd November to adopt the Vaccination Certificate Policy recommended by Bowls New Zealand. This decision reflects the need to put the health and safety of our community first by requiring our members and visitors to be vaccinated against COVID-19, reducing the risk of exposure to and transmission of the virus. It is important that we provide our staff, members (and visitors) with a safe environment, in which they can play bowls and socialise.

As a condition of entry to our greens, green surroundings and clubrooms any person aged 12 years or over must:

Agree to provide written or electronic evidence of their COVID-19 vaccination certificate when requested by a Club representative.

Variations to this condition of entry:

- Evidence of a COVID-19 vaccination received other than in New Zealand will be accepted if the evidence is standard in the relevant country, and it has been accepted by the Ministry of Health.
- A vaccination exemption has been granted by the Ministry of Health.

This policy is effective immediately we move to Traffic Light Alert Levels.

Fendalton Bowling Club reserves the right to review its position as events unfold.
